Our local office employs more than 200 professionals. Our industry teams have expertise in commercial services, construction/real estate, financial services, health care, individual services, manufacturing/distribution, and not-for-profit/public sector.

Scott Ebert is Partner-in-Charge of the Manufacturing/Distribution Services Group and leader of the firm wide SEC practice. He serves as Partner on audit and review engagements with public and private companies. Scott has led numerous mergers, acquisitions and sales teams with clients including negotiations and due diligence.

Milo Arkema, a Director in Transaction Services, has deep experience as a general business advisor to emerging and high growth companies. Milo also leads initiatives for emerging medical device and LifeScience companies. He serves as the Lead Director on merger and acquisitions transactions ranging from \$2 million to \$40 million.

Steve Stensrud, Attest Partner, leads the firm's SEC Practice Group, and focuses primarily in the areas of audit and accounting, transaction support, consulting, and tax. He works with clients in a variety of industries, including manufacturing and distribution. Steve also works with development stage and medical device companies.

Peter Keller leads our International Practice Group and has extensive experience in both public and private accounting. Peter developed the Baker Tilly International group audit service platform. He also works in a variety of industries, including manufacturing and distribution, medical device and high technology.

Mike McKee is a Partner and focuses on serving emerging, high-growth companies, assisting with issues such as mergers and acquisitions, initial public offerings, and other SEC registration matters. His client base includes manufacturing, technology, medical device, and retail companies.

Baker Tilly refers to Baker Tilly Virchow Krause, LLP, an independently owned and managed member of Baker Tilly International.
