

CPAs & BUSINESS ADVISORS

Eide Bailly, ranked among the top 25 CPA firms in the nation and with offices in nine states, has Minnesota offices in Minneapolis and Mankato. Feedback from clients indicates that the “Eide Bailly Difference” is how we work with our clients to help them achieve their business and financial goals. We understand the strategic business issues faced by our clients and help them develop solutions to these issues. Not only do we look at today’s issues, but we also proactively address factors that may impact the company in the future. In today’s challenging environment – when companies strive to increase efficiencies and utilize resources more effectively – Eide Bailly works with companies to help them manage their operations at the optimum level.

Eide Bailly offers a full line of services, including assurance services, tax planning and preparation, business valuation, due diligence services, estate and wealth transfer services, enterprise risk management, internal controls assessment and testing, forensic accounting and employee benefit plan administration.

**Bryan Ross** is a tax partner providing tax and consulting services to closely-held businesses and their owners. He has assisted client companies from the idea phase to their transition point. Bryan has specialized knowledge in providing tax and business consulting services to companies and individuals in the arts, entertainment and sports industries.

**Greg Barber** is the partner in charge of Eide Bailly’s Minneapolis office. He has over 25 years experience working with privately-held and publicly-traded companies in a variety of industries. Greg has specific expertise with issues related to family and other closely-held businesses, including leadership and business succession, strategy and compensation systems.

**Dave Stene** is a partner providing audit and management consulting services to closely-held companies across multiple industries. Dave also provides intellectual property and business valuation services and has significant experience working with clients in the areas of mergers and acquisitions, financial and estate planning and goodwill valuations. He serves as chair of the firm’s Business Valuation/Transaction Services group.

**Meredith Menden** is a tax manager in Eide Bailly’s Mankato office. During her time in public accounting, Meredith has provided tax compliance and consulting services to companies in the manufacturing, personal service and retail industries. She has also worked on projects to address the strategic application of tax accounting methods and periods.

**Allison Lunde** is a manager in Eide Bailly’s consulting division. Allison’s expertise is in the areas of financial forecasting, operations and strategy consulting. She has performed work for companies in many industries and for the past several years, has specialized in the health care sector.
