Faegre & Benson LLP is a leader in representing entrepreneurs, fast-growth companies, and their investors. We have helped hundreds of companies raise and numerous venture capital firms and strategic investors deploy billions of dollars in financing. Our experienced team will stand by you from formation through exit, including initial public offerings, acquisitions, and sales. Our Emerging Companies & Venture Capital team guides clients through:

- Venture capital financings
- Private and public offerings of debt and equity securities
- Corporate governance and board advice
- Bank financings
- Joint ventures
- Executive recruitment and equity compensation strategies
- Patent filings, trademark registrations and IP licensing
- U.S. and international tax matters
- Mergers and acquisitions

Faegre & Benson serves clients focused on industries such as information technology, communications, health and life sciences, renewable energy, software and technology, chemical, automotive, food, and consumer and manufacturing. Whatever your industry, our lawyers are committed to your success.

#### OUR COMMITMENT TO EMERGING COMPANIES

We pride ourselves on our commitment to clients. Through offices in the U.S., U.K., and China, we provide legal and practical business solutions to rapidly growing companies and their investors, both domestically and internationally. Our services include structuring relationships with founders, securing intellectual property rights, developing employment policies and incentive plans, and advising on board and governance matters, strategic partnerships, distribution and licensing arrangements, and complex transactions such as IPOs, mergers and acquisitions, and venture capital financings. Taking an interdisciplinary approach, our Emerging Companies & Venture Capital team serves as a strategic advisor in each stage of a company's growth cycle.

*We want to help you succeed.*
