Faegre & Benson LLP is a leader in representing entrepreneurs, fast-growth companies and their investors. We have helped hundreds of companies raise billions of dollars in financing from local venture capital firms as well as other prominent worldwide institutional investors. Our experienced team will stand by you from formation through exit, including initial public offerings, acquisitions and sales. Our emerging companies team guides clients through:

- Venture capital financings
- Private and public offerings of debt and equity securities
- Bank financings
- Joint ventures
- Executive recruitment and equity compensation strategies
- Patent filings and trademark registrations
- U.S. and international tax matters
- Mergers and acquisitions

Faegre & Benson LLP serves clients focused on a multitude of industries, such as: information technology, communications, life sciences, renewable energy, aircraft, chemical, automotive and specialty retail and consumer products. Whatever your industry, our lawyers are committed to your success.

#### OUR COMMITMENT TO EMERGING COMPANIES

Faegre & Benson LLP prides itself on its dedication and commitment to our clients and to the community. Our worldwide offices offer deep expertise in a full range of legal and business solutions for rapidly growing companies and the community that serves them. Our services include equity and debt financing, patent and other intellectual property transactions, dispute resolution, board development and governance, employment and compensation matters, and a wide range of complex transactions including joint ventures, mergers and acquisitions, and venture capital financings. With our interdisciplinary approach, and with the breadth and depth of our practice, our emerging companies team serves as a strategic advisor for businesses involved with each stage of a company's growth.

*We want you to succeed.*
