Midwest Life Science Practice

About SVB's Midwest Life Science Practice

Established in 1998, and headquartered in Minneapolis, the Midwest Life Science team is responsible for a ten state region that includes: IA, IL, IN, MI, MN, MO, ND, OH, SD and WI.

With an unmatched network of relationships with life science VCs and a dedicated team of life science experts, we are the partner of choice for emerging and established medical device and biotech companies. Our Life Science Practice has first-hand knowledge of the industry, its people, and requirements for success.

About SVB Financial Group

For nearly three decades, SVB Financial Group and its subsidiaries, including Silicon Valley Bank, have been dedicated to helping entrepreneurs succeed. SVB Financial Group is a financial holding company that serves companies in the technology, life science, venture capital and premium wine industries. Offering diversified financial services to clients with commercial, investment, international and private banking services. The company also offers funds management, broker-dealer transactions and asset management, as well as the added value of its knowledge and networks worldwide. www.svb.com.
